

INDIA SHOOTS is a unique line production company operating out of 35 countries. With our extensive network, we execute medium and large scale international and multi-country productions. India Shoots takes care of your film shootings in India and outside.

Backed by a highly-skilled, vastly experienced and globally-connected team, we handhold your film productions, providing the most modern equipment, shooting permissions, subsidy- grants guidance and logistics facilitation in a hassle-free manner. We understand Cinema and its diverse requirements, contingencies and last-minute adjustments and align ourselves to your need.

With a proved track record, contacts and partners in each region at both government and private level, India Shoots have delivered in a way no one else has. Work with people who understand Global Cinema and its diverse requirements. We have made this process much simpler and faster than ever before.

The company is promoted by Mr. Manoj Srivastava, Ex-CEO ESG, International Film Festival of India, Goa and Ex-Director National Film Awards, Government of India.
